Esbjerg – and ESVAGT – on the Scales

The contest ‘Esbjerg on the Scales’ has two participating teams from the shipping company

It was ‘Runners Choice’ and ‘Spar Nord’ in Esbjerg that had arranged the contest ‘Esbjerg on the Scales’. And also this year the inhabitants of Esbjerg were guided to a healthier and lighter lifestyle over a period of eight weeks.

735 participants were registered and consisted of 147 teams of five people each and among them two ESVAGT teams with ten people in all.

On the first weigh-in, which was made at ‘Tobakken’ at Esbjerg on 9 January, the teams got weighed and were handed over the scales to be used in the

weekly weighing. Every Friday there was a 'joint weighing' and reporting – and the contest for losing weight was tough.

On 6 March at the end of the contest, the two teams from ESVAGT got impressive results and were placed in the field as No 126 and No 52 respectively out of the 147 participating teams.

ESVAGT is a dedicated provider of safety and support at sea, founded on an experienced and well-trained offshore crew and unmatched rescue capabilities.

We support the offshore Oil & Gas industries with a wide range of specialized services: Standby, Emergency Response and Rescue Vessels (ERRV), Oil spill response, Firefighting, Tanker assists, Rig moves, Supply services and Interfield transfer of cargo and personnel.

In 2010, ESVAGT brought the dedicated offshore wind Service Operation Vessels (SOV) to the market. The SOVs provide accommodation for up to 40 technicians, storage for small turbine parts and a workshop, plus personnel and equipment transfer capabilities by either Walk-to-Work gangway system or Safe Transfer Boats.

ESVAGT was founded in 1981 and has a fleet of more than 40 vessels and more than 900 employees on- and offshore.
