## 'Esvagt Corona' extended with Repsol on the Yme field

**ESVAGT extends contract with Repsol for standby services until the spring of 2023.**

ESVAGT has provided services to different operator's activities on the Yme Field in the Norwegian sector since 2011, and these activities will continue.

Repsol has extended the contract with 'Esvagt Corona' for an additional 18 months. The Jack-Up Drilling rig Maersk Inspirer will perform further exploration and production drilling at Yme. 'Esvagt Corona' will provide both

standby services, ERRV-services as well as guard vessel duties for the Yme Field.

## About ESVAGT

ESVAGT is a dedicated provider of safety and support at sea and services both the offshore wind industry as well as the oil & gas industry.

We service offshore wind farms and have a fleet of dedicated Service Operation Vessels (SOV), which ESVAGT pioneered in 2010. The SOVs provide accommodation for technicians, spare time facilities, offices and conference room, storage for small turbine parts, workshops, etc. The SOV offers flexible personnel and equipment transfer capabilities by either Walk-to-Work gangway system or Safe Transfer Boats.

We support the offshore Oil & Gas industries with a wide range of specialized services: Standby, Emergency Response and Rescue Vessels (ERRV), Oil spill response, Firefighting, Tanker assists, Rig moves, Supply services and Interfield transfer of cargo and personnel.

ESVAGT was founded in 1981 and has a fleet of more than 40 vessels and approximately 1100 employees offshore and onshore.
