

Join ESVAGT at stand N-J40 at OWE2017 and learn more about the world leading SOV-concept

Jun 07, 2017 14:08 CEST

ESVAGT's unique SOV concept on display at Offshore Wind Energy 2017

ESVAGT's market leading SOV service concept is the main attraction at N-J40; ESVAGT's exhibition stand at Offshore Wind Energy 2017.

"With the SOV concept ESVAGT has partnered with industry majors to develop an innovative solution that has helped change the industry", says Søren Karas, Chief Commercial Officer for ESVAGT:

"We are looking forward to presenting the concept at OWE2017 and showing

customers and partners a cost efficient, safe and smooth operation of far shore wind farms”, he says.

About ESVAGT

ESVAGT is a dedicated provider of safety and support at sea, founded on an experienced and well-trained offshore crew and unmatched rescue capabilities.

We support the offshore Oil & Gas industries with a wide range of specialized services: Standby, Emergency Response and Rescue Vessels (ERRV), Oil spill response, Firefighting, Tanker assists, Rig moves, Supply services and Interfield transfer of cargo and personnel.

In 2010, ESVAGT brought the dedicated offshore wind Service Operation Vessels (SOV) to the market. The SOVs provide accommodation for technicians, spare time facilities, offices and conference room, storage for small turbine parts, workshops, etc. The SOV offers flexible personnel and equipment transfer capabilities by either Walk-to-Work gangway system or Safe Transfer Boats.

ESVAGT was founded in 1981 and has a fleet of more than 40 vessels and approximately 900 employees on- and offshore.
