Teambuilding with Vestas

ESVAGT and Vestas have a very good cooperation in servicing the wind farm Blight Bank in Belgium. The cooperation was further strengthened on a teambuilding day, where the crew from “Esvagt Supporter” was invited to participate.

It became a really good day with lots of fun and activities – kayaking, rock climbing, crawling in caves in the cliffs, archery and ‘foosball’. In the evening there was a barbecue and live music.

Blight Bank wind farm has 55 turbines and produce green power for approx.

145.000 households. The wind farm was in 2013 the offshore wind park, which had the most uptime turbines (98.3 percent) across the offshore wind industry.

ESVAGT is a dedicated provider of safety and support at sea, founded on an experienced and well-trained offshore crew and unmatched rescue capabilities.

We support the offshore Oil & Gas industries with a wide range of specialized services: Standby, Emergency Response and Rescue Vessels (ERRV), Oil spill response, Firefighting, Tanker assists, Rig moves, Supply services and Interfield transfer of cargo and personnel.

In 2010, ESVAGT brought the dedicated offshore wind Service Operation Vessels (SOV) to the market. The SOVs provide accommodation for up to 40 technicians, storage for small turbine parts and a workshop, plus personnel and equipment transfer capabilities by either Walk-to-Work gangway system or Safe Transfer Boats.

ESVAGT was founded in 1981 and has a fleet of more than 40 vessels and more than 900 employees on- and offshore.
