The annual Olympic Games on 'Esvagt Connector'

Classical disciplines such as "banging-in-nails" and "stick-in-bottle" settled in an intense atmosphere

The Olympic motto: "faster, higher, stronger" is just a light version of the really tough contest: It adds the words "and at sea" to ensure that the contests become as challenging as can be.

The deck on 'Esvagt Connector' was the scene of the contests in disciplines such as bowling, penalty shooting, stick-in-bottle and banging-in-nails.

The closing ceremony was worthy of Sochi – barbeque-party Sunday evening where three winners were announced: Lars Nymand total winner, runners up Morten Arendal and Mogens Jeppesen. Medals and prizes were presented.

ESVAGT is a dedicated provider of safety and support at sea, founded on an experienced and well-trained offshore crew and unmatched rescue capabilities.

We support the offshore Oil & Gas industries with a wide range of specialized services: Standby, Emergency Response and Rescue Vessels (ERRV), Oil spill response, Firefighting, Tanker assists, Rig moves, Supply services and Interfield transfer of cargo and personnel.

In 2010, ESVAGT brought the dedicated offshore wind Service Operation Vessels (SOV) to the market. The SOVs provide accommodation for up to 40 technicians, storage for small turbine parts and a workshop, plus personnel and equipment transfer capabilities by either Walk-to-Work gangway system or Safe Transfer Boats.

ESVAGT was founded in 1981 and has a fleet of more than 40 vessels and more than 900 employees on- and offshore.
